Privacy Policy

Last Updated: 01 Feb 2026

We value your privacy. This policy explains what information we collect, how we use it, and how we protect it when you use SlidesPitch.

When you sign up, we collect your name, email address, and password. We may collect your phone number for verification and abuse prevention.

When you authenticate or use the service, we may collect your IP address and basic security logs to protect accounts and prevent misuse.

You may submit content such as text (in plain format), or files of any type. This content is processed by SlidesPitch to provide the service.

To provide AI features, your content may be processed by trusted third-party AI service providers (such as OpenAI). We do not sell your data. OpenAI processes data only to deliver the service, improve model quality and safety.

We do not sell your personal information.

We retain data only as long as necessary to provide the service or comply with legal obligations.

We use reasonable technical and organizational security measures to protect your information.

You may request access to or deletion of your account and data at any time by contacting us.
